9.30 DESIGNATED SEX OFFENDERS REGULATED.

- (1) Findings and Facts.
- (a) The Village Board finds that repeat sex offenders, sex offenders who use physical violence, and sex offenders who prey on children are sex predators who present an extreme threat to the public safety. Sex offenders are extremely likely to use physical violence and to repeat their offense; and most sex offenders commit many offenses, have many more victims that are never reported, and are prosecuted for only a fraction of their crimes. This makes the cost of sex offenders' victimization to society at large, while incalculable, clearly exorbitant.
- (b) It is the intent of this section to not impose a criminal penalty, but instead to serve the Village's compelling interest to promote, protect, and improve the health, safety, and welfare of the citizens of the Village by creating

area around locations where children regularly congregate in concentrated numbers wherein certain sex offenders and sex predators are prohibited from loitering and residing.
